“ALL CONDITION” SOLDERING PASTE

PRODUCT ENHANCEMENT:

MASTERS “ALL CONDITION” SOLDERING PASTE will work where others won't.

Is your pipe chilled or frozen from being in the truck overnight in sub-zero temperatures? With **MASTERS “ALL CONDITION” SOLDERING PASTE**, there is no need to wait for pipe to thaw or warm up. Just clean the surface, apply the paste and you're soldering in no time.

Are you struggling with condensation on the outside of pipe due to humidity or wet conditions? Do away with the hassle with **MASTERS “ALL CONDITION” SOLDERING PASTE**. Give it a quick wipe dry, clean and go.

Please Note:

This is a product enhancement. It will be a running change from our current **MASTERS SOLDERING PASTE**. No need to adjust part numbers or pricing in your system.
